

Ronin/Ronin M Rig Adapter

Part #GYR010

This New innovation from Polecam enables any existing Polecam system to mount either the DJI Ronin or Ronin M. True to the Polecam ethos, the system is quick and simple to exchange without any tools required. The system can also be further enhanced by adding the Polecam Wire Strut System when operating in those extreme and demanding environments

The Adapter has spawned the Polecam "Skeleton" rig, this is based on the globally recognised Polecam Starter Pack PLUS (PSP+) cut down to the basics, enabling any existing Ronin/Ronin M owner or operator to take their dynamic shots and sequences to new levels of creativity
